

WORLD CONQUERORS - PRIVACY POLICY

This application does not collect personal information.

The app could use the internet connection with the sole purpose of showing ads. No sensitive information will be sent to third parties or collected.

Particular caution is recommended for use in-app purchase by children, in order to remove advertising from the application.

To hide the ads, go to the setup page and click on the appropriate button.

Thank you for your support, please provide good feedbacks on the Store and have fun! :)

The developer
